

On behalf of the Northern Silviculture Committee (NSC), we are pleased to invite you to participate as an exhibitor at our upcoming NSC Winter Workshop.

The Winter Workshop brings together forestry professionals, practitioners, researchers, and industry representatives from across the region. Exhibiting at this event provides an excellent opportunity to connect directly with attendees, showcase your products or services, and engage with leaders in the silviculture community.

We are offering exhibitor booth space at the following rate:

Exhibitor Booth – \$500.00

- One exhibitor booth at the event
- One full Winter Workshop registration
- One table provided for display and materials

Exhibitor space is limited and will be allocated on a first-come, first-served basis. We encourage you to reserve your booth early to ensure participation.

We would be delighted to have you join us as an exhibitor. Please feel free to contact us with any questions or for additional details regarding booth setup, event logistics, or registration. To book an Exhibitor Booth visit www.nsc-bc.org/category/all-products

Thank you for considering this opportunity to be part of the Northern Silviculture Committee Winter Workshop. We look forward to the possibility of working with you.

Sincerely,

Jessica Dodd
